

## USA EXPERTS LLC

- ***Free - Screening your case for merit***
- ***Free- Matching your case with the right expert***
- ***Free - Physician consultation***

***Avoid the time and expense of identifying the appropriate expert for your case.***

USA Experts LLC is a unique alignment of physicians, registered nurses, medical paralegals and ancillary experts in multiple specialties. We provide opinions as expert witnesses, IME specialists, and peer review consultants in addition to consulting for hospitals, facilities, and state agencies.

Our physicians and legal nurse consultants provide guidance and education to assist you in identifying the correct expert for your case. We can also decrease your practice expenses by taking on expert witness scheduling, medical records requests, chart organizing, Bates stamping, medical records summaries and more. We use physician oversight for all work products to ensure accuracy. **Our streamlined process often saves clients thousands of dollars.**
