

# TECHNOLOGY ASSOCIATES, LLC

## LICENSED PROFESSIONAL ENGINEERS TESTIMONY/TESTING/CONSULTING

**New York Area Office**  
137 E. 36<sup>th</sup> St., Ste. 7K  
New York, NY 10016

**New England Office**  
500 Ferry Boulevard  
Stratford, CT 06615  
(203) 329-9909

**Phone: (800) 358-9909**

**Email: [info@technology-assoc.com](mailto:info@technology-assoc.com)**

**Free Technical Info Sheets On Website: [www.technology-assoc.com](http://www.technology-assoc.com)**

- Services: Over 2500 cases:  
Accident reconstruction, product liability, expert testimony and computer/video animation.  
Mechanical, biomechanical, structural, transportation, electrical and human factors engineering.
- Typical Cases: Vehicle impacts, Roadways, Low Speed Impact, Whiplash, Biomechanics, Slip/Trip and Fall, Seat Belt and Air Bag issues, Machine Guarding, Design & Manufacturing Defects, Elevators and other Lifts, Structures, Home & Industrial Products & Equipment, Construction, Lighting, Sports & Recreation, Ladders, Warnings, Human Factors, Electric Shock, Electrocution, Fires & Floods
- Clients: Law Firms, municipalities and most major insurance companies. Sealed Air, Grumman, Sikorsky, NASA, United Technologies, Gerber Scientific, TEXTRON, etc.
- Contacts: **Kristopher J. Seluga, M.S., P.E.**    **Irving U. Ojalvo, Sc.D., P.E.**    **Lawrence V. Hmurcik, Ph.D., P.E.**  
Education: M.S., MIT, 2001    Sc.D., N.Y.U., 1962    Ph.D., Clarkson University, 1980  
BSME, MIT, 2000    M.S., MIT, 1957    M.S., Clarkson University, 1976  
B.ME, CCNY, 1956    B.S., Fairfield University, 1974
- Qualifications: **Kristopher J. Seluga, M.S., P.E.**  
Licensed Professional Engineer (NY, CT)  
Expert in hundreds of cases from plaintiffs and defendants  
Member ANSI committee for golf car and PTV safety  
Authored numerous papers on biomechanics, vehicle braking and ladder hazards  
ACTAR Accredited as a Traffic Accident Reconstructionist (#1697, 2005-2010)  
Member: ASME, SAE, HFES, ITE, NAPARS  
OSHA 10-hour Construction Safety and Health Certification  
3D printer development experience  
MIT Martin Fellow  
Tau Beta Pi Engineering Honor Society  
Pi Tau Sigma Mechanical Engineering Honor Society
- Irving U. Ojalvo, Sc.D., P.E.**  
Retired Professor, Columbia University  
Licensed Professional Engineer (NY, CA, FL, CT)  
Society of Automotive Engineers (SAE) Speakers Bureau  
Fellow, American Society of Mechanical Engineers  
Accident Reconstruction Lecturer, State Police Academy  
Author of over 100 technical papers for leading engineering journals Over 50 years Industrial and Academic experience  
Associate Editor of the American Institute Aero and Astro Journal (AIAA)  
Member, Human Factors and Ergonomics Society Safety Committee Member, ANSI Ladder Safety Committee  
Institute of Transportation Engineers Safety Committee
- Lawrence V. Hmurcik, Ph.D., P.E.**  
Professor of Electrical Engineering, University of Bridgeport  
Consultant in areas of Electrical Engineering  
Specialties in Fiber Optics and Signal Processing  
Authored over 90 technical papers in leading engineering journals  
Member, Institute of Electrical and Electronic Engineering  
Member, American Physical Society
